

# Gardner Dance Studio

## Sherry's Notes

### I AM ASKING FOR YOUR HELP...

We have the studio cleaned once a week so it is important that everyone who uses it picks up after themselves.

- If you have children that play in the lobby please pick up the toys after they are done playing.
- If you change a messy diaper please take it with you!!!
- If there is a spill please let us know so we can clean it up and not track it onto the dance floor.
- Please do not let children run down the hallway or throw toys.
- Please DO NOT let children play with the merchandise!!

*Thanks for your help, we try to make the lobby comfortable for everyone, if you see that we are out of anything please let someone know so we can take care of it.*

### **Recital dates to mark on your calendar:**

Pictures: May 10th

Rehearsal: June 6th

Recital: June 7th

Times to be announced

If you have digital pictures of your dancer or tumbler in class please forward them to Jacquelyn Dwyer at [tajadwyer@yahoo.com](mailto:tajadwyer@yahoo.com) so we can post them on the updated website. We are also posting the newsletter there as well.  
[www.gardnerdance.com](http://www.gardnerdance.com)

We are having a lot of problems with late payment of tuition, please contact Sherry if you have late tuition payments outstanding.

A few of the dance recital costumes have arrived. They will be coming home soon. Once they come home, please don't let your student try them on or wear them at home. We are not responsible for replacing them if something happens to them at home. Most parts are not replaceable the whole costume would have to be re-ordered and time may not permit the reorder.

If you are interested in helping with the recital in any way please contact Sherry, Jacquelyn. There is lots of things to do.

### Just a reminder:

All days off are listed in the Policy Sheet you received at the beginning of the year. The next one coming up is Spring Break, if there are any that come up through the year we will make sure they are in the newsletter.

We will have classes on most days, even if it is a holiday that schools have off. The only time our schedule is the same as the school district is if the weather is bad and USD-231 closes then Gardner Dance Studio will also cancel classes.
